I have a United States
silver dollar, dated 1875;
(eighteen seventy-five) well-
kept & preserved, which
I am anxious to sell.
Will you tell me if a
silver half dollar, dated
1853, having an arrow
issuing from either side
of the date, and on the
other side an eagle hold-
ing three arrows and a
branch, with rays a-
round and under him,

and a zero (0) directly under him, the words that do. under that, commands any premium?

If you would care to buy either of them, kindly let me know. If you do not, if you will tell me their value I shall feel myself much indebted to you.

Respectfully
